

CALL FOR PAPERS

The Czech Academy of Sciences, Institute of Philosophy, announces

LOGICA 2019

the 33rd in the series of annual international symposia devoted to logic,
to be held at **Hejnice** (in northern Bohemia, about 2.5 hours from Prague), on **24 – 28 June 2019**.

Invited speakers are David Makinson, Per Martin-Löf, Alessandra Palmigiano and David Ripley.

The first session begins on the morning of Tuesday June 25. The symposium closes at noon Friday June 28.

Contributions devoted to any of the wide range of logical problems are welcome except those focused on specialized technical applications. Particularly welcome are contributions that cover issues interesting both for ‘philosophically’ and for ‘mathematically’ oriented logicians.

If you are interested in presenting a paper at the symposium, please submit a two-page blind abstract via EasyChair. The guidelines for submissions can be found at

<http://logika.flu.cas.cz/logica>

The deadline is **15 February 2019**. Notifications will be sent out by the end of March.

The fee for the symposium is 450 EUR for participants and 320 EUR for accompanying persons. The fee covers full board and lodging at Hejnice Monastery during the symposium, the conference coach from Prague to Hejnice and back, and (for participants) a copy of the volume containing contributions to the symposium.

Members of the Logica 2019 Programme Committee are: Marta Bílková, Ivano Ciardelli, Petr Cintula, Jon Michael Dunn, Christian Fermüller, Giuseppe Greco, Ole Hjortland, Gary Kemp, Ansten Klev, Vojtěch Kolman, David Makinson, Edwin Mares, Per Martin-Löf, Carles Noguera, Hitoshi Omori, Jaroslav Peregrin, David Ripley, Gabriel Sandu, Sebastian Sequoiah-Grayson, Nick Smith, Vladimír Svoboda, Zach Weber.

Contributions to Logica symposia are published in *The Logica Yearbook* series (College Publications). Previous volumes include papers from Nuel Belnap, Johan van Benthem, Kosta Došen, Melvin Fitting, Bob Hale, Wilfrid Hodges, Jaakko Hintikka, David Lewis, Jeff Paris, Barbara Partee, Stephen Read, Greg Restall, Gabriel Sandu, Howard Sobel, Stewart Shapiro and many others.

Scholars from countries with underfunded academic institutions are invited to apply for a reduction of the conference fee. Those who wish to apply for the reduction should explicitly state so when submitting their abstract, which should be extended to four pages.

All correspondence concerning the symposium should be directed to
