

Title of your paper

Please use this source file as a template when writing an abstract for Logica in L^AT_EX. Your submission should be approximately two pages long (including bibliography).

Here are some examples of references: (Prawitz, 1965) is an example of a book reference and (Prawitz, 1974) of a journal article reference. We recommend using the APA citation style but you can use your preferred style of references.
